Dear UCC/BDCAT student participant,

Thank you for submitting your application for the NSF UCC/BDCAT 2017 travel grant.

The travel award committee has completed reviewing all the applications, and decided to award \$1,000 for your UCC/BDCAT trip. Congratulations!

The details of the award are as follows:

1. \$100/night lodging supplement for 5 nights (check-in 12/4/2017, and check-out 12/9/2017), toward a special negotiated rate for awardees, \$169/night. This will reduce the hotel rate to only **\$69+tax/night**. Please book the conference hotel **ASAP** if you haven't done so.

2. **Fully** cover your registration fee. If you have paid the registration fee, you will receive a full refund in the original form of payment. Please provide us your registration info (paid or unpaid) for this.

Note that in order to be eligible for the award, you **must stay** in the conference hotel, AT&T Conference Center, located at [1900 University Ave., Austin, TX](#). In addition, you are required to attend **the full 4-day program**. We will host lunch, dinner, and mentoring activities specially for the NSF awardees during the conference. More details about these activities will be sent to you in a separate email, before you arrive at the conference. Please stay tuned.

After the conference, you must **submit a 1-page summary** to the award committee to describe your experience at the conference, within 10 days after you return from the trip.

Please response to this email to notify whether you accept the award. If you have any questions, please feel free to contact us too.

Looking forward to seeing you at the conference!

Best Wishes,

UCC/BDCAT2017 Travel Award Committee
